THE MONTHLY NEWSLETTER OF GRACE

## From the Pastor

By Paul H. Pingel

### Pastor's Page

I signed my name to a letter to the editor in the newspaper that was published the first weekend of this month. The content of the letter

is below. Nine other pastors in our area signed the letter as well.

*Maybe you remember the Bible story of David and Goliath. The one about a shepherd boy's victorious encounter with an 8-foot foe. It's a story that holds lessons of faith, trust, bravery, and resilience. It tells of a 40-day standoff between David's Israelites and Goliath's Philistines. It was a battle of two enemy armies frozen in place and at volatile levels of hostility.*

*For more than a year and a half, we've been facing down an invisible giant in COVID-19. The virus has broken down the bodies, lungs, and lives of over 860,000 people in our Commonwealth. A recent letter from Augusta Health shared that COVID cases in our area are as high as*

*they've been since January of this year. Nurses, doctors, and other hospital workers—our neighbors—are exhausted from this constant struggle. The virus itself does its work to break down our bodies, lungs, and lives. Our response to the virus has led to broken relationships, irreconcilable differences of opinion, unprincipled fear, and a crippling, toxic spirit within and between us.*

*Some of the unvaccinated and unmasked among us have asserted that their faith in God protects them from this virus. Some claim religious exemptions to the vaccine and mask-wearing, asserting that their faith in God protects them from COVID-19, making God into some sort of divine force field, some shield of defense, some seal against germs.*

*David was a faithful Israelite. He knew his God would be with him as he stepped into the giant's shadow, but David never imagined his faith in God meant being able to face Goliath without his sling and river stones. Doing such a thing isn't faith, it's unpreparedness. Never is faith a*

*blind and unequipped trust. Trusting in God, David equipped himself for this fight, yet David engaged the enemy not for himself but for the sake of his fellow Israelites and the God in whom he placed his trust.*

*Getting a vaccine is not a lack of trust in God, it's like David looking at the exhausted soldiers on the front lines and recognizing that "scooping up the stones" gives them hope, too. In our case, these exhausted soldiers are on the front lines at Augusta Health.*

*So, get a vaccine. Wear a mask in public places. And trust that God will see us through to face down this invisible giant.*

Pray for our community! And for a reduction in the numbers of infections of our area, in order to return to worship in-person and all the other ways we are present with one another, in worship, fellowship and service!

Speaking of service, God has blessed us to be a blessing, Grace filled in order to be agents of Grace in our community:

**In addition to what is noted in this Newsletter: Grace Donations of Food, and Activity in the Community** – through WARM, CROP Walk, Main Street and Calvary UMC Food Banks, and Disciples Kitchen (see pp. 5-6 of this newsletter), take a look:

**Grace Relationship Building with Christ Tabernacle Church of God in Christ** – while Covid has affected many plans for all of us to enjoy In-Person events of fellowship and relationship building with Christ Tabernacle Church of God in Christ, we continue to be thankful for the continuing conversation we have with Christ Tabernacle. And **come to the Prayer Vigil every third Saturday, at 3pm,** either at North Park or Constitution Park. It's usually a 30 minute time of fellowship and prayer. The Waynesboro police have joined us, as have other community members. It's an important part of our being agents of Grace.

**And there's still an opportunity to offer up over \$7500 in grants to our community** (see page 6 of this newsletter) through our Mission Endowment Fund.

**Worship at Grace** - A recent, highly urgent notice from Augusta Health announced the crisis situation we find ourselves in our area. We have Covid rates higher than at any point since March 2020 in Staunton/Augusta/Waynesboro! Eleven deaths last week, two deaths alone last Tuesday, and expectations that this current wave of infection will spike in mid-October. Because of this information and after much discussion by Council:

- **Beginning October 3rd, we will return to YouTube and Zoom worship until levels of infection in our area are reduced.**
- All meetings and classes will be held via Zoom during the same time period.
- All outside groups using our Fellowship Hall or Conference Room areas will not meet.
- A letter from Grace Council was sent to all members and friends of Grace.
- Contact any Council member or Pastor if you have questions.
- Pray for those suffering from Covid,
- And if you have not been vaccinated, please do so. We averted influenza, smallpox, polio, rubella, measles, whooping cough and many other diseases through vaccination. The same possibility is true of Covid-19. God has blessed us with the creativity of modern medicine to alleviate suffering and death.

**Holy Communion Chalices available from the Church Office** - Call the Church Office in order to pick up Communion Chalices for each Sunday's worship over these next few weeks as we meet virtually!

**"Coffee Fellowship After Worship via Zoom" is still available!!** - Ron Almarode hosts a fellowship time via Zoom immediately following worship. It's a great opportunity to engage in casual fellowship, as well as being kept up to date about the concerns and needs for prayer by Grace members and friends. We will be sending this link weekly with the other links to Worship and other activities available via Zoom.

**Children's Message** - Beginning today, for the next few Sundays, we will return to a Children's Message, most offered by children and families! Once we are past this time of "Covid peak" and can return to in-person worship, we will continue Children's Church.

**WARM Update—Thank you** to so many who donated breakfast, lunch and snack items for the WARM Shelter this week. It was an amazing response. They received enough for each day's breakfast, lunch and snacks plus we sent additional items for breakfast and lunch that can be used when they need extra. It was a wonderful way for Grace to serve the week celebrating God's Work/Our hands.

The total raised for the 2021 **CROP Walk** from Grace was \$835. Four Grace members and Pastor Pingel went on the walk on a beautiful Sunday afternoon. If you would still like to donate to this project, you may do so at [crophungerwalk.org](http://crophungerwalk.org). Thank you to everyone who donated or walked. Karen Walck

**More Blessing Through Grace’s Mission Endowment Fund!** After distributing \$19,995 to the community around us thanks to your grant requests submitted earlier this year, \$7,575 remains to be distributed through our Christian Education, Social Ministry, Disaster Relief and Special Music Funds. If you would like to make a grant request for a local, national, or international need from these funds, *call the church office for an information and grant request form in the* and **return the request form by Wednesday, October 13th.** Grace Council will review the requests and select the grants at its October meeting.

**God Work’s, Our Hands!** Every September, the Evangelical Lutheran Church in America encourages all ELCA congregations to have a “God’s Work, Our Hands” effort of service in the community.

***Renewing Homes Deck Project “All Hands on Deck!”***—There’s an opportunity to help a family in Staunton to repair a deck on Saturday, October 23. Call Jerry Kite for more details and to sign up. Meet at 8:30 a.m. at Grace.

**Food Pantries - Thanks, and Continuing Need—** Many thanks to those who have donated Peanut Butter, Mac ‘n Cheese, Personal Hygiene items, and Dried Rice and Beans to our local food banks. We have made ***eighteen deliveries*** thus far, nine to Main Street United Methodist, and nine to Calvary United Methodist, Stuarts Draft, with the donations gratefully received in the midst of great need. Last week, **90 pounds of food** went to Main Street United Methodist. **Overall, we have given well over 1,600 pounds!** If you can help, please donate to our box set inside the office door for you to drop off.

**Email Address Changes** - Due to consistent sending and receiving problems with our current "gracewaynesboro" and "lumos"-based email addresses, we ask that you change your address book to include the following addresses:

***For Nancy Dowdy and the Church Office:***  
Grace.lc@comcast.net

***For Pastor Pingel:*** pastorpingel@gmail.com

Please discontinue the use of gracelc@lumos.net, secretary@gracewaynesboro.org, and pastor@gracewaynesboro.org.

*We all are one in mission; we all are one in call, our varied gifts united by Christ, the Lord of all.  
A single great commission compels us from above to plan and work together that all may know Christ's  
love. –Rusty Edwards, "We All Are One in Mission" ELW #576*

Dear Friends:

As this familiar hymn reminds us, We All are One in Mission, truly united in our commitment to the Gospel and the Great Commission. Today at United Lutheran Seminary our students, faculty, staff and the entire community have crossed into the New Year with a sense of hope and prayers for the future. We look forward to the continued distribution of the COVID-19 vaccine and the opportunity to meet once again in person.

Concurrently, we are cognizant there is much work to be done in reconciliation, and ending racial and social injustices. United Lutheran Seminary provides the opportunity for students and faculty to engage in meaningful study, prayer and dialogue on the Philadelphia, Gettysburg and online campuses around these issues. Your generosity to the seminary, in part, allows our students to focus and place their energies into these conversations and study, as their tuition is being paid in full thanks to the generosity and prayers of our donors, like you.

As a donor, we are deeply grateful to you for your partnership and faith in United Lutheran Seminary. Your ability to support seminary education is a ministry in its own right, and your ministry in this vein is a blessing to the students, faculty and staff at ULS.

We are looking forward to an occasion when you will be able to meet our new president, Dr. Guy Erwin. As God's people, we are seeking vision and fulfilling our mission together, whether through rostered service in the church like our seminary students, or most importantly through loving our neighbor through the sharing of time, talent and resources. Thank you for sharing your compassion and for continuing to support United Lutheran Seminary.

May God's peace and God's message of hope be with you,

Dear Grace Lutheran Church,

---

Thank you for your gift(s) given to your synod, received by ELCA World Hunger in June 2021.

*Therefore, since we are justified by faith, we have peace with God through our Lord Jesus Christ, through whom we have obtained access to this grace in which we stand; and we boast in our hope of sharing the glory of God (Romans 5:1-2).*

As a church, we believe that God's grace is freely given to us. This brings us peace and hope. It makes a difference in our lives. Through your gifts to ELCA World Hunger, you are sharing this amazing grace with others. You are helping people around the world feel the transformational power of God's love.

Your generosity is getting at the root causes of hunger and poverty in over 60 countries including the United States. It is providing access to clean water, health care, agriculture, livestock, education, and peace and justice. Through your gifts, you are joining with the whole church as we work toward a just world where all are fed.

Thank you for your gracious gifts. The glory of God is shining through you.

Dear Friends of the Valley Mission,

On behalf of the Board of Directors and staff of Valley Mission, I extend our warmest thanks for your support of our agency. Your recent financial gift of \$1,000.00 to go towards winter coats, hats, gloves, scarves, boots, leggings and rain gear on 8/13/2021 is greatly appreciated! According to IRS regulations, we must state that no goods or services were received in exchange for your donation. Please keep this letter for your tax records.

The Valley Mission not only provides shelter, clothing, and meals to the homeless in our community, but our staff also offers spiritual and emotional support to our residents, helping them face issues surrounding homelessness. Generous gifts like yours allow us to fulfill our mission to serve those in need, twenty-four hours a day seven days a week. **Each year Valley Mission serves between 650 and 700 local homeless-at no cost to them.** In addition, **free meals**, as many as **58,000 per year**, are provided to those who reside in our shelter and in our local community who cannot afford to properly nourish themselves or their families. Most often, those in need of help face difficulties that they simply do not have the tools to repair. Their circumstances cause them to feel hopeless that tomorrow could ever bring about the possibility of a positive change in their lives. Because of donors such as yourself, the residents of the Valley Mission are fed, clothed, encouraged, and provided the tools that allow them to hope for a better life. In many cases, our clients are making this dream a reality. **For so many, your caring support is life transforming.**

Valley Mission's sole purpose is to serve the needs of others in our community, and we are incredibly grateful for your partnership in helping us provide a place of hope for those who are experiencing challenges. If you have not recently taken a tour of our facility, I encourage you to contact us about visiting Valley Mission to witness our work, and your financial contributions, in action! **May God continue to bless you in all that you do. Thank you for investing in our local community through supporting the Valley Mission.**

With warmest regards and most sincere gratitude,
